Dear Apprentice:

The Milwaukee Area Sheet Metal JATC has instituted a new policy effective **June 1, 2010** regarding selection and referral rules for apprentices.

The JATC has gone to the letter of introduction for new applicants and also is allowing **laid off** apprentices to solicit their own work according to the referral policy of Sheet Metal Workers Local #18.

Apprentices currently working for a contractor are not allowed to solicit work from other contractors, nor are any apprentices allowed to solicit work from outside their JATC area.

If you have any questions feel free to call me at 262-798-1812.
